Your initial visit will take more time than your subsequent visits. The medical history that you fill out is examined. You may be asked additional questions as a way of getting to know you and understanding your health needs.

Appointments: Our office is open Monday – Friday. If you cannot keep an appointment please give us 24 hours notice; otherwise, you will be charged for the appointment time. Even on days we are not seeing patients, our phone messages are checked regularly, so your notice allows us time to notify other patients who may be on a waiting list.

Payments: We accept cash or checks. Payment is to be made at your first visit of the week if you make multiple visits. Checks may be made out to Hidden Well Acupuncture. (You may place your payment in the box on the reception desk. Post-it notes are available for you to write your name and amount on if you make a cash payment.) Returned checks will incur a \$50.00 service fee. The service fee and amount of the returned check must be paid in cash.

If you have questions or concerns between your appointments, please feel free to call us. If you get our voice mail, please leave your message with your name and a phone number and we will get back to you as soon as possible.

We want your experience at Hidden Well Acupuncture Center to be a nurturing one.

**Complimentary therapies, as the term suggests, are meant to complement conventional medicine and do not take the place of appropriate medical advice.*
